

Your ENMU Digital World (save for future reference)

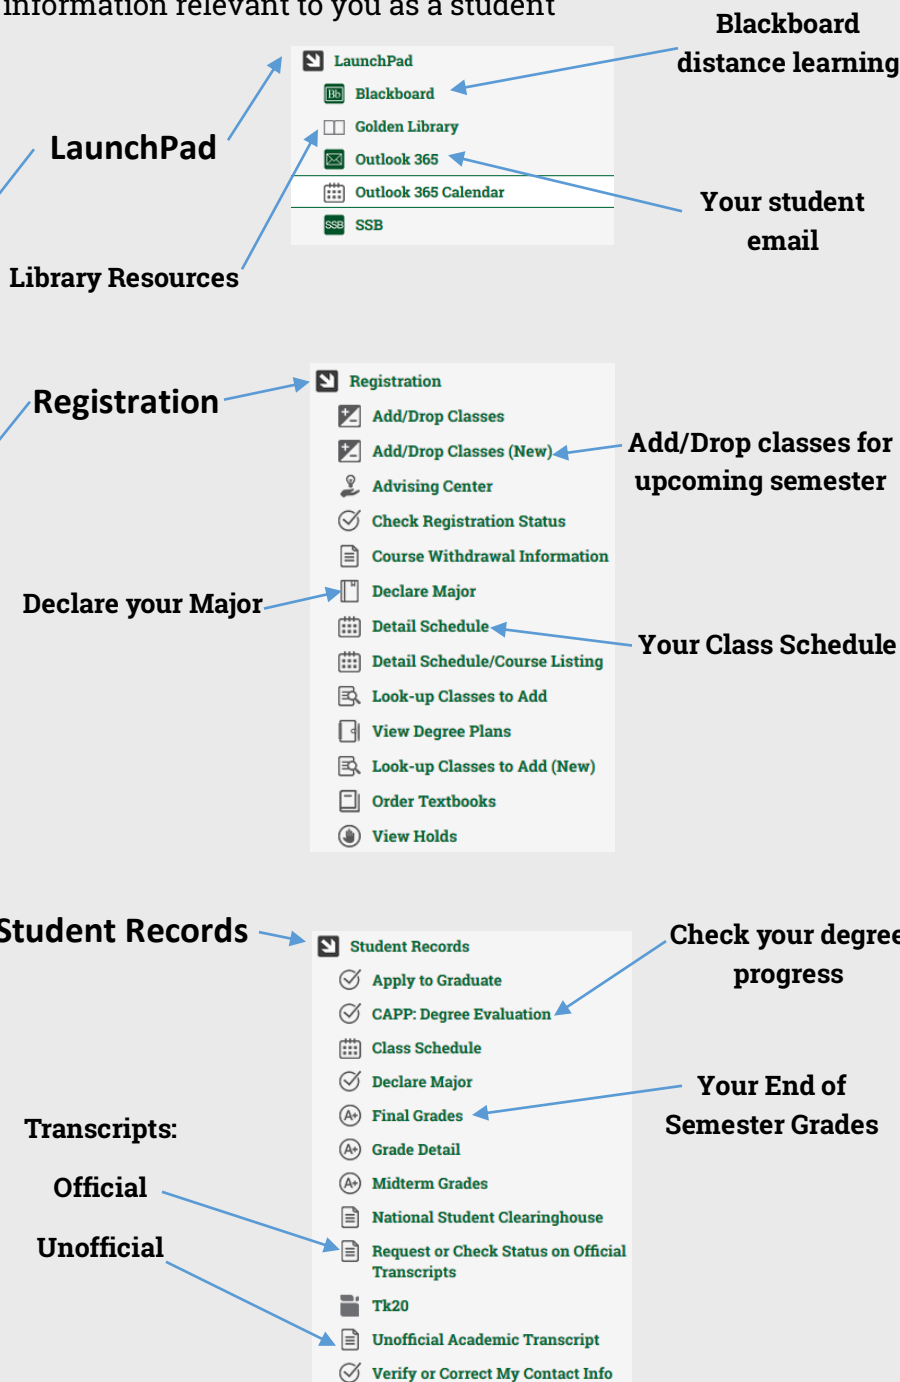

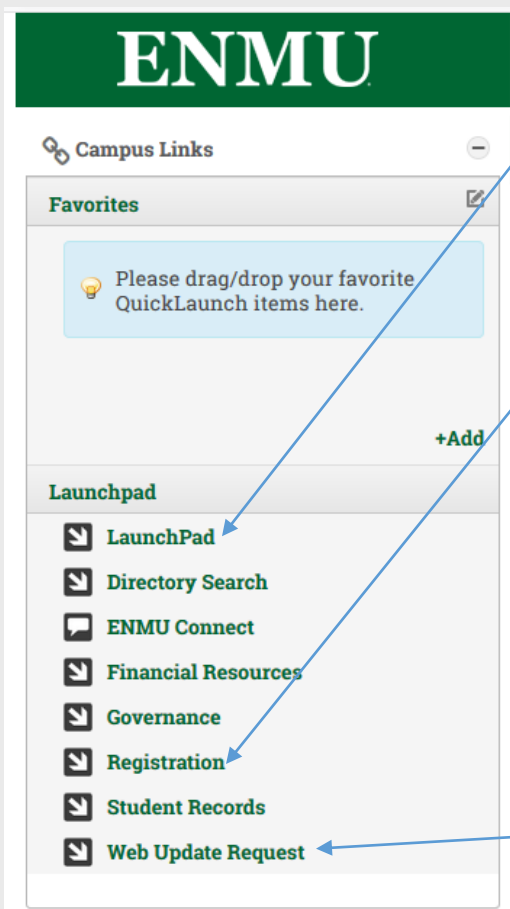

1. At enmu.edu click MyENMU Portal or go directly to login page via my.enmu.edu.

At the next screen log in using sd\username and your student password

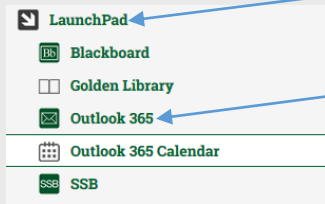

The left hand side after logging in contains everything in your student digital world, while the center pane contains general information relevant to you as a student

Left hand pane:

Your Student Email:

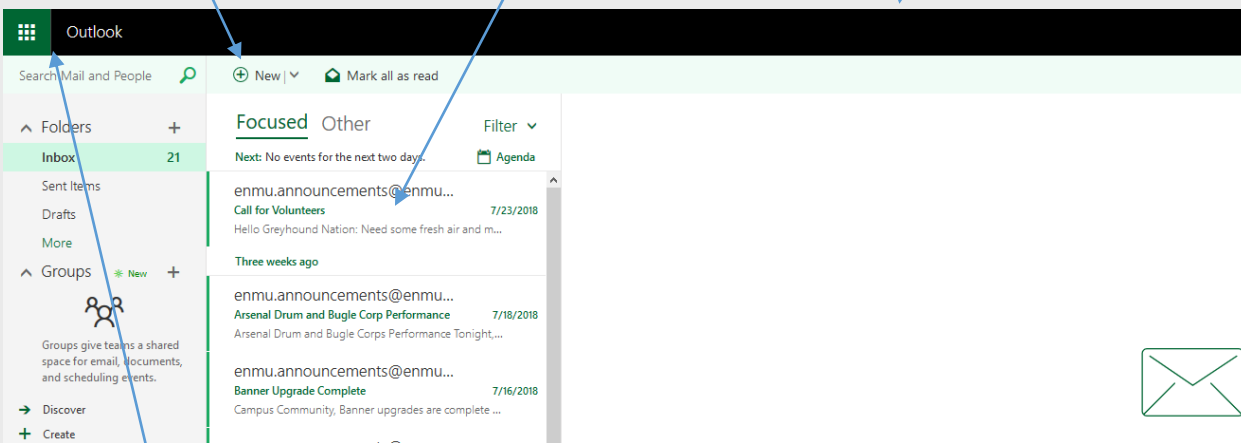

From the Portal homepage expand Launchpad

• This is your email, click it.

Compose New Email
Left Click to read received emails

• It will open up into this

- Once in your email clicking the top left corner, then clicking Office 365 will take you to where you can download and install the software packages you get access to as a student here at ENMU

An in-depth guide for new students is available at:

www.enmu.edu/NewStudent

For software available to you as a student here at ENMU visit:

www.enmu.edu/Software

Tech Tips are available at:

www.enmu.edu/techtips
