

**70-8 Student Insurance**

70-8-1 Purpose • 70-8-2 Policy • 70-8-3 Administration • 70-8-4 Mandatory Insurance for International Students

1. **Purpose.** The purposes of these policies and procedures are to ensure that students are advised that Eastern New Mexico University System (the System) is not responsible for insuring them for expenses resulting from illness or injury that occurs during their enrollment.
2. **Policy.** The policies established in furtherance of the above purposes are as follows:
  - A. The administration shall adopt reasonable and prudent procedures to ensure that all students are advised, upon enrolling, that the System is not responsible for insuring students for expenses resulting from illness or injury.

The foregoing purposes and policies are implemented by the following.

**Procedures**

3. **Administration.** The vice president for Student Affairs or the position equivalent at the branch community colleges shall have the responsibility for administration of these policies and procedures.
4. **Mandatory Insurance for International Students.** International students who are enrolled at any campus of the ENMU System and any dependents who may accompany them are required to have medical insurance.
