

## Weekly Tech tip: Introduction to Blog building via MS Sway

**MS Sway** is a presentation program that allows users to combine text and media to create a presentable website and is available to all members of ENMU.

Check out the video below to learn about how Sway can assist you create your own visually appealing blog for work, school, or play!

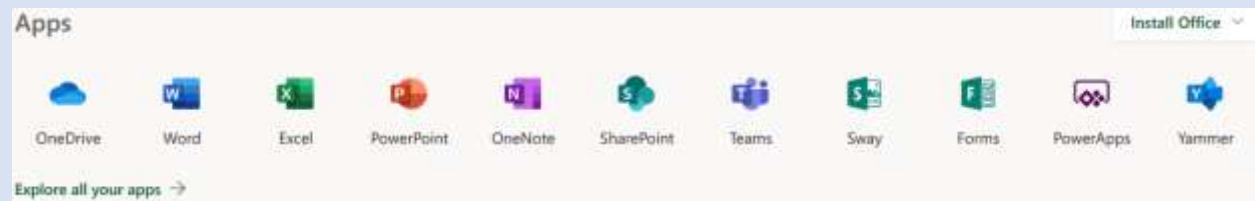

<https://www.youtube.com/watch?v=pcg6DGO9hpl&feature=youtu.be&t=24>

Faculty and Staff may get to MS Sway by logging into my.enmu.edu

-Left clicking  **LaunchPad**

-Left clicking  **Office 365**

-Which will then open a new page as shown in below image. If Sway is not visible here you may click 'Explore all your apps' to jump to a page displaying all MS apps available to you as Faculty & Staff here at ENMU, where you can locate Sway.
