Assessment Degree Requirement

Students who have completed 55 to 75 credit hours may be required to participate in institutional assessments of general knowledge. Assessment activities are conducted by the Academic Assessment Coordinator. Students who are contacted to participate and fail to participate will not be allowed to register for future semesters until the requirement has been satisfied.

Academic Advising

All first-time college students and new transfers are advised in the Advising Center or the Transfer Center. The advisers help students plan their course schedule, explore majors and learn to do their own academic planning. Students declare a major/minor using the online Declaration of Major Form at enmu.edu/Declare.

Declaration of a Major or Change of Major/Minor/Emphasis

Declaring a major allows for careful planning with an academic adviser in the major field for meeting the requirements of that major. A student declares a major, minor, emphasis, and/or concentration area for their program by completing a Declaration of Major Form available online at enmu.edu/Declare and will use a CAPP degree evaluation as an unofficial degree plan. Students may move to the current catalog when changing majors.
