Loan Information

Please **increase** the accepted amount of my Federal Direct Loan for this aid year to:

\$ _____ **Subsidized** Federal Direct Loan

\$ _____ **Unsubsidized** Federal Direct Loan

I understand this action will increase my Federal Direct Loan repayment amount and that these funds should be used to pay only those expenses directly relating to my education.

ENMU suggests students use their **Subsidized Federal Direct Loan** funds first as they may have better terms under certain conditions.

Remember, professionals are available in the Office of Financial Aid to help students analyze their educational expenses so they may borrow as frugally as possible.
