The University has established deadlines in order to conform to statewide enrollment reporting requirements. Deadlines have also been established to ensure students are making timely and effective decisions regarding their coursework, progress to degree completion, and protection of their financial aid eligibility status. A request for a drop/add after the official deadline can only be honored in extreme circumstances, and such requests must be accompanied by appropriate documentation and approval signatures.

I understand that adding or dropping courses may affect my academic standing and my ability to successfully fulfill all course requirements. By signing this form, I also acknowledge **this may affect my completion rate in regard to financial aid responsibility, any scholarships I may have, and NCAA eligibility, etc.** I understand my late add does not require the faculty member teaching the course(s) to provide grade accommodations or considerations.
