**Announcements:**

Jacqueline provided information from Dr. Balch-Lindsay.

March 6, 2020 is the deadline for the Gen Ed Committee to submit course paperwork to Dr. Balch-Lindsay. March 21, 2020 is the HED Articulation & Transfer Committee review, however, there is a process before Dr. Balch-Lindsay can upload courses to be reviewed at that level.

Dr. Balch-Lindsay uploaded courses for HED Articulation & Transfer Committee review this past weekend.

**Previous Minutes:**

Meeting (9/23/2019 and 12/09/2019) – minor line edit. Moved to accept minutes, seconded, and unanimously approved.

**Discussion:**

Reviewed GE course chart. No courses back from Biology. English and Theatre courses will be reviewed online and sent out.

Question – should the GE course chart be sent to deans so they are aware of the sense of urgency?

Question – what happens to the GE courses that miss the deadline?
