Subject: Amendments to Policy 35-4 Use of ENMU System Motor Vehicles
 Professional Senate Constitution and Bylaws

Summary Statement

System Policies	
35-4 Use of ENMU System Motor Vehicles	<p>Two amendments made to 35-4-2; E & Addition of H.</p> <p>E. Authorized drivers shall abide by all applicable traffic laws and licensing requirements as outlined in the most current version of the New Mexico Criminal and Traffic Law Manual or the traffic laws of any state they are operating the vehicle in. If any authorized driver receives a traffic citation while operating a vehicle owned or leased by the ENMU System, that individual will be held financially responsible for any and all costs associated with the violation of the state traffic laws they receive the citation in.</p> <p>H. State vehicles used to support the mission of the ENMU System are allowed to be driven out of state and out of country in accordance with the provisions of this policy and as mandated in NMAC 1.5.3.27 (A) (B).</p>

Revisions to the Professional Senate Constitution and Bylaws

Updated language to reflect changes in policy regarding statement of governance 15-2 and 15-3, removal of Portales in the title. Clarified language through out and specified number of absences from meeting which removal from Senate will happen and who will run elections. Update office name to send approved minutes for posting.

Action Requested: Approval
