Associate of Applied Science in Full-Time Occupational Technology at Clovis Community College							
Subject	No.	Title	Hours	Subject	No.	Title	Hours
AAS in Automotive Technology Program Requirements (69 hours)				AAS in Wind Energy Program Requirements (68 hours)			
AAS in Cosmetology Program Requirements (71 hours)				AAS in Welding Program Requirements (63 hours)			
AAS in Plant Operations & Equip. Program Requirements (68 hours)				(Credit hours include 12-16 hours of New Mexico General Education.)			

Courses That Can Be Completed at Either Institution							
				Subject	No.	Title	Hours
Students must complete the General Education requirement (31-33 hours per New Mexico State Code) for award of any bachelor degree in New Mexico. Recommend that students complete AA/AS GenEd requirements at CCC.				These required courses may be completed at either Clovis Community College (recommended) or at ENMU-Portales. A grade of C or better is necessary for these courses.			

Bachelor of Applied Arts and Science at ENMU-Portales							
Subject	No.	Title	Hours	Subject	No.	Title	Hours
PRIMARY CONCENTRATION AREA (30-58 hours): This includes technical or vocational major work transferred from an accredited institution or an approved program. The acceptance and transfer of coursework will be based on an analysis of each student's transcript. Only coursework designated as transfer credit may be considered for the primary concentration. Should the student decide to change degrees, any transferred career or technical courses would no longer apply toward a baccalaureate degree.				SECONDARY CONCENTRATION AREA (24-33 hours): An approved field of study consisting of a minimum of 24 hours. Concentration must include at least 15 hours of upper-division (300-/400-level) courses. Each course must be completed with a grade of "C" or higher. The secondary concentration is intended to complement the student's vocational or technical background and broaden career opportunities. The secondary concentration/emphasis areas are only available to students who are pursuing the BAAS degree.			
				*	*	Electives to meet BAAS requirements	Var.

Minimum GPA Requirement	2.0	CCC AAS in Occupational Technology	63-71
