Courses That Can Be Completed at Either Institution			
Subject	No.	Title	Hours
These required courses meet specific course requirements at ENMU. They may be completed at either ENMU-Roswell (recommended) or at ENMU-Portales. A grade of C or better is necessary for these courses.		<b>The Teacher Education Program (TEP) does NOT grant secondary education degrees.</b>	
The faculty at ENMU-Portales strongly recommends that transfer students consult with Education advisers at both ENMU-R and ENMU-P for guidance in selecting electives.		The TEP does provide students with the necessary professional education requirements for licensure at the secondary level in New Mexico. Students seeking NM licensure MUST fulfill the bachelors degree requirements of their major. Please consult with an adviser for majors offering coursework leading to secondary licensure.
