This form is to request reinstatement of your financial aid for the completion of your degree program. You must have a current FAFSA and be registered for the semester. (Waivers of Academic Suspension must be complete.) Federal regulations require you to explain in detail the extreme circumstances which prevented you from meeting SAP and what has changed to ensure your academic success. (Please read back of form for detailed information.) Students exceeding or near Maximum Time Frame must also submit an Academic Success Action Plan and signed, current Degree Plan Checklist or CAPP Degree Evaluation Report. Contact your advisor to make an appointment for assistance concerning these documents.

My request is due to poor Academic Performance. (GPA and/or Completion Rate)
Your typed or legibly printed letter and supporting documentation should answer these questions:
1. Why haven't you achieved the required GPA and/or completion rate? Exactly what circumstances led to your poor academic performance?
2. What measures have you taken to solve your problems? What plans have you made to ensure you'll finish by your expected graduation date?

My request is due to exceeding the maximum time frame for my degree program.

2. What measures have you taken to solve your problems? Your Academic Success Action Plan must show which semesters you will take the courses you lack. You must consult with your advisor to make sure this information is accurate as you will be expected to follow your plan exactly.

Provide an exact Academic Success Action Plan and current copy of your Degree Plan Checklist or CAPP Degree Evaluation Report signed by you and your advisor (if possible).

My Academic Success Action Plan and Degree Plan Checklist show that I will graduate before reaching the Time Frame limit.

Please submit all documents together. Petitions will not be checked in unless all required documentation is received.

I understand I should enroll in only the courses which are required by my degree program and all attempted hours must be completed with grades sufficient to apply to my degree plan or my federal student aid eligibility (grants, workstudy, loans) will be revoked with no further opportunity for reinstatement. Furthermore, I understand an approved petition will not extend eligibility that has exceeded federal limitations.
