## Loan Information

Complete the following statement and sign below to authorize the Office of Financial Aid to alter your accepted Subsidized and or Unsubsidized loan total to a new increased total for the aid year.

Review your current accepted loan amount in your portal, then calculate the new loan total you wish to borrow.

**Please increase the accepted amount of my Federal Direct Loan for this aid year to:**

\$\_\_\_\_\_ Subsidized Federal Direct Loan

\$\_\_\_\_\_ Unsubsidized Federal Direct Loan

I understand this action will increase my Federal Direct Loan repayment amount and that these funds should be used to pay only those expenses directly relating to my education.

Subsidized Federal Direct Loan funds should be used first as they may have better terms under certain conditions.

Professionals are available in the Office of Financial Aid to help you analyze your educational expenses so you may borrow as frugally as possible.
