All Students who are under the age of 21 on the first day of class of the fall semester, have earned fewer than 30 semester hours after graduation and are enrolled for 12 or more semester hours must live in University residence halls and purchase a meal plan.

Exceptions to the residential/meal plan requirement may be granted to students living with a parent, taking all online classes, have a medical exemption, married and/or have a dependent child. Review of requests will require at least two working weeks. Failure to provide complete documentation may delay this.

Students should submit requests as early as possible to avoid time delays due to a large number of last-minute requests. Denied requests may be appealed to the vice president for Student Affairs.
